YOUNGER MEMBER GROUP

ABOUT ERYMC

The 2025 Eastern Region Younger Member Council (ERYMC) will be hosted in Memphis, TN by the West Tennessee Younger Member Group.

This event brings approximately 200 ASCE members and leaders from Regions 1, 2, 4, and 5 together to discuss strategies, market trends in the southeast,

impact local industry, and numerous networking opportunities to extend connections across the field. as well as ASCE society leadership.

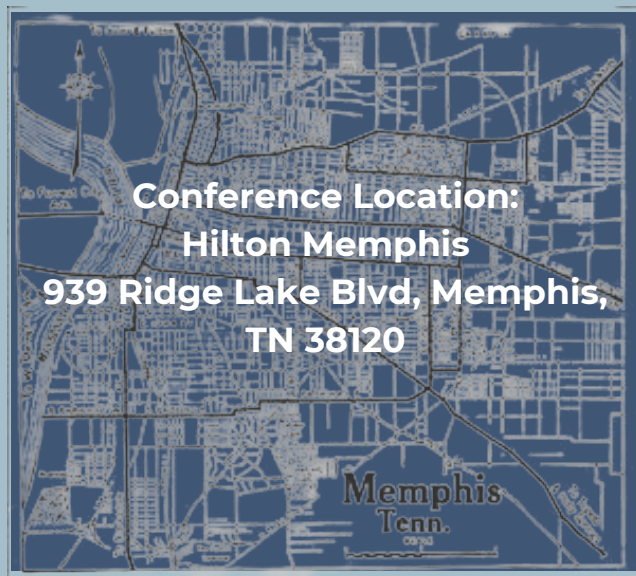

Participation in the conference offers numerous advantages for individuals in the civil engineering community. Here are some compelling reasons for attending:

- **Networking Opportunities**
- **Professional Development**
- **Exposure to Emerging Technologies**
- **Inspiration and Motivation**
- **Community Engagement**
- **Leadership Development**
- **Advancing the Profession**

The Three Workshops:

- Workshop for Section, Branch, and Institute Leaders (WSBIL)
- Workshop for Student Chapter Leaders (WSCL)
- Eastern Region Younger Member Council (ERYMC)

Overall, attending this conference is a valuable investment in professional development, networking, and staying updated on the latest trends and advancements in civil engineering. It provides a platform for individuals to enhance their skills, expand their professional network, and contribute to the collective growth and success of the industry.
